| S No. | Description | Quantity |
|-------|---|----------|
| 1. | Aerosol Monitor PM 10, PM 2.5 | 01 |
| 2. | 3 Phase Diesel Run Generator with installation, Cabling and tripping System | 01 |
| 3. | Installation and Piping, wiring of submersible water pump. | 01 |

3. Eligibility of the Supplier

Following is the eligibility criteria to participate in this RFP. (Refer to Form E1)

- Supplier must have 03 years' experience in selling listed equipment.
- Supplier must be authorized dealers of the listed equipment.
- Supplier must have successfully provided offered equipment/solution to at least 3-5 clients in Pakistan.
- Supplier must have at least two certified professionals from OEM of proposed hardware to support the offered equipment.

4. Submission of Proposals:

Proposals will be accepted and evaluated using **Single Stage–Two Envelop Procedure**, The Technical and Financial proposals shall be submitted on the same day but in a separate sealed envelope clearly mentioned Technical and Financial Proposals marked as:-

Technical Proposal– Tender#EPA/EQUIPMENT/R-Month-2020

Each item should be mentioned separately

&

Financial Proposal–Tender#EPA/EQUIPMENT/R-Month-2020

Each item should have separate proposal / rate etc.

The cover letters should also specify the validity date of each offer with point of contact (name, email & contact number) for this tender from supplier's side.

A) Technical Proposal

The technical proposal shall provide/contain the following information/documents:

- a. Mandatory Eligibility Criteria (**Annexure 1**)
- b. Declaration of Eligibility (**Annexure 2**)
- c. Company/ Firm Profile. (**Annexure 3**)
- d. Specific experience for similar assignments (**Annexure 4**)
- e. General experience (**Annexure 5**)
- f. Qualification and Competence of the proposed team for support for this assignment (**Annexure 6**)
- g. Proposed equipment with make and model, Specification details, Subscription & Support details. All the relevant literature, catalogs, brochures must be attached showing the technical specifications in details with technical compliance sheet (**Annexure 7**)
- h. Any other document which could be helpful in the technical evaluation.

The technical proposal shall not include any financial information.

B) Financial Proposal (Annexure 8**)**

The financial proposal shall contain the following information:

- i. Bid Security @ 2% of the total deliverable in the shape of Call deposit/Pay Order/Demand Draft/cashier cheque in the name of EPA.
- ii. Validity of the financial proposal.
- iii. Other terms and conditions (if any).

C) All the required documents must be attached/provided.

D) Once the proposal is submitted in sealed cover by the supplier, EPA will not accept any addition/alterations/

deletions of the proposal. However, EPA reserves the right to seek clarification or call for supporting documents from any of the suppliers, for which the concerned supplier will need to submit the documentary evidence(s) as required by EPA.

- E) Any Proposal, submitted with incorrect information will be liable for rejection. Further, if any supplier is found to have submitted incorrect information at any time, he may be debarred from participation in the future tendering processes.
- F) The Suppliers should take care in submitting the proposals and ensure that enclosed papers are not found loose and should be properly numbered and submitted in a file in proper manners so that the papers do not bulge out and tear during scrutiny.
- G) Last Date of Submission is ____ / ____ / 2020 till 11:00 am local time. Opening will be done on same date.
- H) Electronic proposals will not be entertained. Any proposals delivered after due date and time will be considered as non-responsive and disqualified from further consideration.
- I) The Proposal should be marked/addressed as:

**Request for Proposals (RFP) For the Purchase of Equipments / Items
Under the Project
“Inventory of Industrial Pollution in KP”
Environmental Protection Agency
Govt. of Khyber Pakhtunkhwa**

3rd Floor, Old Courts Building, Khyber Road, Peshawar Cantt.
Telephone: 92 (91) 9210263, Fax: 92 (91) 9210280

- J) The offers should remain valid for a period of 90 days from the closing/submission date. Any offer falling short of the validity period is liable for rejection. If a supplier extends proposal validity period then will also extend the security period.
- K) Alternative option, if there is any alternate option then it mentioned separately in proposal. Alternative options benefits should be clearly mentioned.
- L) Clearance of the equipment from Tax Authorities would be the responsibility of the supplier.
- M) Selected supplier must undertake to provide EPA, the consignment note number(s) by which the equipment ordered had been dispatched from their site, so as to have online/web access to the tracking system of physical movement of the consignment sent through courier.
- N) The supplier may withdraw its offer after its submission, provided that written notice of withdrawal is received by EPA prior to the closing date and time prescribed for submission of proposals. No offer can be withdrawn by the suppliers subsequent to the closing date and time for submission of proposals.

5. EvaluationCriteria

Final evaluation of the proposal will be carried by using the below combination.

| S.NO. | PROPOSAL | WEIGHT |
|-------|--------------|-------------|
| 1 | Technical | 60% |
| 2 | Financial | 40% |
| | TOTAL | 100% |

Following is the scoring criteria for Technical & Financial Evaluation.

5.1 TechnicalEvaluation

| S. No. | Technical Evaluation | Marks | Min Marks to Qualify | Obtained |
|---------------------|---|-----------|----------------------|----------|
| a. | FirmProfile(Registrationstatus),Location,Offices,Number of employeesandfinancialposition) | 10 | 7 | |
| b. | Specific experience for similar assignments | 10 | 7 | |

| d. | QualificationandCompetenceoftheproposedteamforsupport forthisassignment | 15 | 10.5 | |
| e. | Proposed hardware compliance with required specifications, delivery time, installation/testing/commissioning plan | 20 | 14 | |
| TOTAL POINTS | | 60 | 42 | |
| SUB TOTAL | | 60 | | |

5.2 FinancialEvaluation

| S. No. | Financial Evaluation | Marks | Obtained |
|---------------------|----------------------|-----------|----------|
| a. | Bid Price | 40 | |
| TOTAL POINTS | | 40 | |

EPA will scrutinize the proposal to determine whether it is complete, whether errors have been made in the offer, whether required technical documentation has been furnished and whether the documents have been properly signed. Offers without correct information or not supported by documentary evidence, wherever called for, would be summarily rejected by documentary evidence called for, would be summarily rejected. However, EPA at its sole

desecration may waive any minor non-conformity or any minor irregularity in an offer. EPA reserves the right for such waivers and this shall be binding on all suppliers. For proper scrutiny, evaluation and comparison of offers, EPA at its discretion, ask some or all suppliers for clarification of their offer. The request for such clarification and the response will necessarily be in writing.

6. Selection Process

A selection committee from EPA will evaluate the technical proposals which are eligible as per clause 4 and assign score to each technical proposal according to above details. To qualify technically a minimum of 70% score is needed. Financial Proposals will be opened only for those suppliers whose technical proposal is qualified. Financial proposal of those suppliers who are not technically qualified will be returned unopened. Financial proposals will also be opened in the presence of suppliers for which the date will be announced after the technical evaluation. Suppliers scoring the highest marks (Technical + Financial) will be selected for the award of the contract. This process should normally take about 10 days.

7. Deliverables

The Equipment and services are mentioned as per details given section 3.

8.1 Bid Security

All suppliers shall furnish Bid Security Deposit equivalent to **2% of the total Cost of Deliverable** in the form of Call deposit/Pay Order/Demand Draft/cashier cheque in favor of EPA. Cheque will not be accepted in any case. After selection of successful supplier, EPA will return/release the bid security to the unsuccessful suppliers.

8.2 Performance Security

Performance security will be 5% of the total cost of the equipment only (excluding service) which will be withheld from the final payment for the period of three years. After the successful completion of warranty period of three years, performance security will be released.

9. Fees and Payment Schedule

- a) No advance will be allowed in any case.
- b) Payment will be made after the complete and satisfactory delivery/acceptance/testing/ configuration of the Equipment to the designated delivery site/destinations within 2-3 weeks through cross cheque.
- c) Taxes will be deducted from all the invoices as per prescribed law of Govt. of Pakistan. If supplier has any of the tax exemption, the details must be attached with the invoice. Tax challans will be provided within 3-4 weeks of the payment.

10. Paying Authority

The payments as per the Payment Schedule covered herein above shall be paid by EPA. However, Payment of the Bills would be payable on receipt of advice/confirmation for satisfactory delivery/ installation/configuration from the procurement committee.

Following Documents are to be submitted for Payment:

- a. Bill
- b. GST Invoice
- c. Duly acknowledged Delivery Challans/installation report.
- d. Material Received Note (MRN) if issued by EPA.

11. Delivery Schedule

- a) The Selected supplier must undertake to deliver the equipment ordered, to EPA Peshawar within the time offered in the proposals from the date of the Purchase Order/Contact. However, Delivery schedule may be changed under special circumstances at the discretion of EPA.
- b) EPA reserves right to shift the ordered equipment to any location where it has presence, anywhere in Pakistan, either during the warranty.

12. Warranty & Maintenance

The suppliers shall be fully responsible for the defected items and will be responsible to replace at his own cost with the same make/model of the equipment. All the equipment required should have three years warranty from the date of supply/installation as mentioned in the section 3.

13. Penalty for Down Time

In case of delay in the supply of material against the terms indicated in the purchase order/contract

t, the supplier will have to pay a fine as per Govt. policy or as decided by the chairman procurement committee. Maximum penalty will be 5% of the total order/contract.

14. Penalty on Liquidated Damages for Delayed Supply

In case the delivery is delayed beyond the stipulated date of delivery, 'Liquidated damage for late delivery @ one half of one percent (0.5%) of the order value for each day of delay or part thereof would be imposed, subject to a maximum of 10% if the delay is for 20 days or more. The penalty for late delivery will be deducted from the final invoice amount.

15. Currency

All prices shall be expressed in Pakistani Rupees only.

16. Cost of Process

The suppliers shall bear all the costs associated with the preparation and submission of proposals & samples (if any) and EPA will in no case be responsible or liable for these costs regardless of the conduct or outcome of the bidding process.

17. Tender Document

The supplier is expected to examine all instructions, forms, Terms and Conditions and specifications in the Tender Document. Submission of a proposal not responsive to the Tender Document in every respect will be at the supplier's risk and may result in the rejection of its proposal without any further reference to the supplier.

18. Deadline for Submission of Proposals

Proposals must be received by EPA at the address specified in the Tender Document not later than the specified date and time as specified in the Tender Document. In the event of the specified date of submission of bids being declared a holiday for EPA, the proposals will be received up to the appointed time on the next working day.

EPA may, at its discretion, extend this deadline for submission of proposals by amending the Tender documents.

19. Confidentiality Statement

All data and information received from EPA for the purpose of this assignment is to be treated confidentially and is to be used ONLY in connection with the execution of these documents. All intellectual property rights arising from the execution of these documents are assigned to EPA. The content of written materials obtained and used in this assignment may not be disclosed to any third parties without

the expressed advance written authorization of EPA. EPA may then disclose the draft, final report and/or any related information to any person and for any purpose they may deem appropriate.

20. General Terms & Conditions

- a) EPA does not bind itself to accept the lowest or any proposal and reserves the right to reject any or all proposals at any point in time prior to the issuance of purchase order/contract without assigning any reasons whatsoever.
- b) The EPA reserves the right to store – tendering without providing any reason whatsoever. The EPA shall not incur any liability on account of such rejection.
- c) The EPA reserves the right to modify any terms, conditions or specifications for submission of offer and to obtain revised proposals from the suppliers due to such changes, if any .
- d) Supplier code of conduct is attached for required compliance as Annex-A.

21. Rejection of the Proposal

The proposal is liable to be **rejected** if:

- a. The document doesn't bear signature of authorized person.
- b. It is received through Telegram/Fax/E-mail.
- c. If the proposal is submitted without or less or not in required type the bid security deposit.
- d. If the technical bid is submitted without the Technical Compliance Sheet.
- e. If the proposal is received after expiry of the due date and time stipulated for proposal submission.
- f. Incomplete proposals, partial proposals including non-submission or non-furnishing of requisited documents/Conditional proposals/proposals not conforming to the terms and conditions stipulated in this tender document are reliable for rejection by the EPA.

22. Modifications and Withdrawal of Proposals

Proposals once submitted will be treated, as final and no further correspondence will be entertained on this.

- a. No proposal will be modified after the deadline for submission of proposals.
- b. No suppliers shall be allowed to withdraw the proposal, once the first technical proposal is opened.
- c. No suppliers shall be allowed to withdraw the proposal, if the supplier happens to be a successful supplier.

23. Proposal Opening and Evaluation

- a. EPA will open the proposals, in the presence of supplier's representative(s) who choose/authorized to attend, at the time and date mentioned in Tender document at the address mentioned at bidding details.
- b. The supplier's representatives who are present shall sign the sheet evidencing their attendance. In the event of the specified date of proposal opening being declared a holiday for Purchaser, the proposals shall be opened at the appointed time and place on next working days.
- c. Suppliers satisfying the technical requirements as determined by EPA and accepting the Terms and Conditions of this document shall be short-listed.
- d. Decision of EPA in this regard shall be final and binding on the suppliers.
- e. The contract will be awarded only to the successful responsive supplier.
- f. EPA reserves the right to negotiate with Second, third supplier etc. if successful supplier is not able to supply the deliverables and his bid security will be forfeited.

24. Clarifications of Proposals

To assist in the examination, evaluation and comparison of proposals EPA may, at its discretion, ask the supplier for clarification. The responses shall be in writing and no change in the substance or price of the proposal shall be sought, offered or permitted.

25. EPA's Right to Accept or Reject Any proposal Or All proposals

EPA reserves the right to accept or reject at any stage by assigning reason as per the prevailing Law.

26. Governing Laws and Disputes

All disputes or differences whatsoever arising between the parties out of or in relation to the meaning and operation or effect of these Tender Documents or breach thereof shall be settled amicably. If, however, the parties are not able to solve them amicably, the same shall be settled by arbitration in accordance with the applicable Pakistani Laws, and the award made in pursuance thereof shall be binding on the parties. The Arbitrator/ Arbitrator shall give a reasoned award.

27. Placement of Order and Acceptance

The suppliers shall give acceptance of the order placed within 05 days from the date of order, failing which; EPA shall have the right to cancel the order.

28. Authorized Signatory

The suppliers should indicate the authorized officials from their organization who can discuss, correspond, sign agreements/contracts, raise invoice and accept payments and also to correspond. The suppliers should furnish proof of signature of the authorized personnel for above purposes as required by the EPA.

29. Appeals

Suppliers believing that they have been harmed by an error or irregularity during the award process may file a complaint to EPA at complaints@epakp.gov.pk
