Subject: **OPERATIONAL ENVIRONMENTAL APPROVAL**

Kindly refer your application No. EPA/20803 dated 10/09/2021, followed by official visit conducted on 15/11/2021 by this Agency, wherein it was reported that you have violated Section-13 of the Khyber Pakhtunkhwa Environmental Protection Act, 2014, after that an Administrative Penalty of Rs. 250,000/-, was imposed under the Khyber Pakhtunkhwa Administrative Penalty Rules, 2017.

As sequel above and the submission of Administrative Penalty of the aforementioned amount dated 14/02/2022, this Agency has decided to grant the operational approval of project namely "**10 MW Waste Heat Recovery (WHR)**" located at Cherat Cement Company Ltd. District Nowshera, under Rule-15 of the Khyber Pakhtunkhwa Environmental Assessment Rules, 2021, with the terms and conditions as mentioned in the construction Environmental approval issued by this Agency vide letter No. EPA/IEE/Cement/Cherat-Unit-III/10MW-WHR/18/506 dated 10/09/2018, along with the following additional mitigation measures to be adopted;

1. The Cement Factory shall comply with the National Environmental Quality Standards (NEQS).
2. A Plantation Nursery shall be established within the Factory premises and a forester shall be hired for the same.
3. Waste Water Treatment Plant shall be installed for the wastewater of the factory to bring the effluent/wastewater within NEQS.
4. Water Flow Meter shall be installed for water consumption/rejection and record shall be maintained.
5. All the non-technical jobs shall be provided to the nearby locality and preference shall be given in technical jobs.
6. Moreover, this Agency has reserves the right to suggest any additional measures/technology as and when requires.

Moreover, the management of the Factory shall apply for renewal of the operational Approval after every three (03) years, please.
