

**SCHEDULE-VI**  
**Declaration on EIA**

1. **Name, address of proponent:** Mr. Malik Wasim Ahmad,  
Managing Director,  
A&A Steel Re-rolling Mills,  
Plot#10, Phase III, Industrial Estate,  
Hattar  
Ph No. 0995-817045, 817145
2. **Description of project.** The project is proposed to establish A & A Steel Re-rolling Mill at Hattar Industrial Estate. The consumption of billet and ingot is 55 tons/day. On the average 5% of the raw material is wasted resulting in a production of approximately 50 tons/day. The water consumption is 7,000 gallons/day. The operational phase of the project will require power which will be supplied by Water and Power Development Authority (WAPDA). Natural gas will be used as fuel. About 15-20 laborers and technicians will work during construction phase, whereas 100 staff will work for the operation of the project.
3. **Location of project.** The project is located in District Haripur.
4. **Date of filing of EIA.** 07/11/2009
5. After careful review, the Environmental Protection Agency, Govt. of NWFP has decided to accord approval of the Environmental Impact Assessment of A&A Steel Re-Rolling Mills District Haripur of NWFP in line with the guidelines issued by Pak. EPA and IEE/EIA Regulations, 2000 subject to the following terms & conditions:-
  - a) The proponent will adopt all precautionary and mitigatory measures identified in EIA report as well as any unanticipated impacts during the construction and operation phase of project.
  - b) The proponent must submit monthly compliance report.
  - c) Employment should be provided to local people particularly for unskilled jobs.
  - d) The solid waste should be disposed off in land fill area or hand over to Municipal Committee.

- e) The following mix (Fast growing & slow growing) trees should be planted inside the boundary wall and in front of the factory at distance of 5 feet from one another i.e Poplar, willow, Mulberry, Robinia, Ipil Ipil, Citrus fruit trees, Shisham, Chirpine.
- f) Emissions and effluents if any should be kept within the permissible limit of National Environmental Quality Standards (NEQS).
- g) Health safety measure (mask, fire proof jackets, glasses, gloves, shoes, air plugs, helmet etc) should be provided to the workers.
6. The proponent shall be liable for correctness and validity of the information supplied by the environmental consultant.
7. The proponent shall be liable for compliance of Sections 13, 14, 17 and 18 of IEE/EIA Regulations, 2000, regarding approval, confirmation of compliance, entry, inspections and monitoring.
8. This approval is accorded only for the construction phase of the project. The proponent will obtain approval for operation of the project in accordance with the Section 13 (2) (b) and Section 18 of the IEE/EIA Regulations, 2000.
9. Any change in the approved project shall be communicated to EPA, NWFP and shall be commenced after obtaining the approval.
10. This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with.
11. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
12. There is no legal case pending in the courts against the project.
13. In exercise of the power under Section 12 of the Pakistan Environmental Protection Act, 1997, the undersigned is pleased to approve the EIA Report for A&A Steel Re-Rolling Mills with above mentioned terms and conditions.
