

## SCHEDULE-VI

### Decision on EIA

1. **Name, address of proponent:** Mr. Ahmed Jaudet Bilal,  
Chief Executive Officer,  
M/S PREMIER Cement Limited,  
7A/K Main Boulevard Gulberg-II, Lahore.  
Ph No. 042-111-000-100
2. **Description of project:** M/S Premier Cement Limited is proposing to install a green field 8,500 TPD Cement Plant in Bilot situated about 45Km away from District D.I.Khan, Khyber Pakhtunkhwa. Mines have already been acquired by the Premier Cement from the Govt of Khyber Pakhtunkhwa. The proposed cement plant will have 400 persons as man power during construction and operational phase. 40MW power will be required for running the cement plant and water requirement of the cement plant is 2400 m<sup>3</sup> per day.
3. **Location of project:** The project is located at District D.I.Khan.
4. **Date of filing of EIA:** 25-01-2018 (Ref: EPA/Diary No. 458)
5. After a careful review, the Environmental Protection Agency, Govt. of Khyber Pakhtunkhwa has decided to accord conditional approval of the Environmental Impact Assessment (EIA) report of "M/S Premier Cement Limited, installation of 8500 TPD Green filed Cement Plant, District D.I.Khan Khyber Pakhtunkhwa," in line with the guidelines issued by Khyber Pakhtunkhwa Environmental Protection Act, 2014 and IEE/EIA Regulations, 2000 subject to the following terms & conditions:-
  - a) The proponent shall adopt all precautionary and mitigation measures identified in EIA Report as well as any unanticipated impacts during the construction and operation phase of project.
  - b) All emissions shall be kept within the permissible limits of National Environmental Quality Standards (NEQS).

- c) The proponent shall be bound to install air pollution control system (Bag House Filter) to bring its emission in compliance with National Environmental Quality Standards (NEQS).
- d) Maintenance of the Bag House Filter shall be carried out regularly and submit monthly compliance report to this Agency.
- e) Air dispersion modeling study shall be conducted within 03 months for the proposed line.
- f) The proponent shall submit ground water hydrology report of the area bi-annually to this Agency.
- g) Solid waste shall be properly dumped in designated area within the premises of the Cement Plant.
- h) Health and Safety Equipments (HSEs) shall be provided to the staff and detail of the same shall be provided to EPA.
- i) A Health, Safety & Environment (HSE) unit shall be established in the factory. An Environmental Science graduate and two Foresters shall be employed to look after the environmental issues.
- j) Signboard regarding health and safety shall be installed at the unit.
- k) A nursery shall be developed and annually block plantation of at least 5000 (survived) shall be planted particularly along the boundary wall.
- l) Annual plantation plan outside the factory shall be submitted before operation in consultation with the immediate surroundings/community.
- m) The proponent shall submit a plan for protection of the nearest closures i.e. Qayyum and Javed Closures of Pahar Pur Forest Sub division.
- n) Waste water (if any) shall be treated and the effluent shall be discharged after compliance with NEQS in a covered pipeline.
- o) The existing road shall not be disturbed by mining activities, in case of any damage, the management of Premier Cement Company shall be responsible for its rehabilitation and maintenance.
- p) A committee of the local living in the immediate vicinity of the Cement plant shall be constituted to address the social and environmental related to the cement factory. A copy of the same should be provided to EPA.
- q) Employment shall be provided to the local people of the nearest Union Councils in technical/non technical jobs. Detail of the same shall be provided to EPA.
- r) Scholarships shall be allocated annually for the local students on merit/deserving basis as per Premier Cement Company Limited's policy and procedure.

- s) Internships/apprenticeships program shall be encouraged for technical graduates belong to surrounding villages.
- t) Social welfare program shall be carried out for the local people and shall be communicated to EPA. Proper budget shall be allocated for community uplift programs for immediate surroundings.
- u) The proponent shall install two separate complaint boxes (for social and environmental complaints) on main gate of the factory.
- v) All social work detail (ongoing/proposed and completed) shall be displayed at the main gate of the cement factory.
6. The proponent shall be liable for correctness and validity of the information supplied by the Environmental Consultant.
7. The proponent shall be liable for compliance of Regulations 11,13,14,17 and 18 of IEE/EIA Regulations, 2000, regarding approval, confirmation of compliance, entry, inspections and monitoring.
8. This approval is accorded only for the installation/ construction phase of the project. The proponent will obtain approval for operation of the project in accordance with the Regulation 13 (2) (b) and 18 of the IEE/EIA Regulations, 2000.
9. Any change in the approved project shall be communicated to EPA, Khyber Pakhtunkhwa and shall be commenced after obtaining the approval.
10. This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with.
11. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
12. There shall be no legal case pending in the courts against the project.
13. In exercise of the power under Section-13 of the Khyber Pakhtunkhwa Environmental Protection Act, 2014, the undersigned is pleased to approve the EIA Report for construction phase of the said project with above mentioned terms and conditions.

Dated: Peshawar 3/16/2018
