5. After careful review, the Environmental Protection Agency, Govt. of Khyber
Pakhtunkhwa has decided to accord approval of the Environmental Impact
Assessment of "Power Tech Industry (Steel Furnace),, at village Koghazi,
District Chitral" in line with the guidelines issued by Khyber Pakhtunkhwa
Environmental Protection Act, 2014 and IEE/EIA Regulations, 2000 subject
to the following terms & conditions:-
 - a) The proponent shall adopt all precautionary and mitigatory measures
identified in EIA report as well as any unanticipated impacts during the
construction and operation phase of project.
 - b) The proponent shall submit monthly compliance report.
 - c) High grade billets/metal shall be used for melting.
 - d) The proponent shall be bound to install Air Pollution Control System (Dry
System) and ensure its usage during operation to bring its emission in
compliance with National Environmental Quality Standard (NEQS).
 - e) The management shall adopt extra measures to cover the furnace at the
time of transferring the melted iron for billet production as the smoke
emits in this stage.
 - f) Effluents and emissions shall be kept within the permissible limit of
National Environmental Quality Standards (NEQS).
 - g) Employment shall be provided to the local people in technical/non
technical jobs.

- h) Personal Protective Equipments (PPEs) like (Gloves, Face Masks, Goggles, Helmet etc) shall be provided to the workers with the direction to use during working hours.
- i) Emergency equipments like first aid box, Health & Safety Sign Boards, Fire extinguishers etc shall be installed and properly maintained inside the factory.
- j) Plantation shall be carried out in the available open spaces of the proposed project unit and the plan of the same shall be provided to this Agency.
- k) Water bodies near the site shall not be polluted by solid waste or any other waste.
6. The proponent shall be liable for correctness and validity of the information supplied by the environmental consultant.
7. The proponent shall be liable for compliance of Regulations 13, 14, 17 and 18 of IEE/EIA Regulations, 2000, regarding approval, confirmation of compliance, entry, inspections and monitoring.
8. This approval is accorded only for the installation/ construction phase of the project. The proponent shall obtain approval for operation of the project in accordance with the regulations 13 (2) (b) and 18 of the **IEE/EIA Regulations, 2000**. The proponent must inform this agency when construction phase is completed.
9. Any change in the approved project shall be communicated to EPA, Khyber Pakhtunkhwa and shall be commenced after obtaining the approval.
10. This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with.
11. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
12. There shall be no legal case pending in the courts against the project.
13. In exercise of the power under Section-13 of the Khyber Pakhtunkhwa Environmental Protection Act, 2014, the undersigned is pleased to approve the EIA Report for "Power Tech Industry (Steel Furnace), at village Koghazi, District Chitral" with above mentioned terms and conditions.
