SCHEDULE-V

Decision on IEE

1. Name, address of proponent: Mr.Gabor Vakarcs,
Managing Director,
MOL Pakistan Oil & Gas Co.
B.V.Floor No:17, Islamabad Stock
Exchange (ISE) Towers. 55-B. Jinnah Avenue,
Islamabad 44000, Pakistan.

2. Description of project: MOL Pakistan Oil & Gas Company B.V has planned
to drill Kot South-1 Well in Tehsil Seni Gambat
District Kohat. The well will be connected through a
flow line to Tolanj Processing Facility of MOL
Pakistan. The length of the flow line will be 11 Km.
Main objectives of the proposed activities are to
determine the presence of recoverable hydrocarbons
and to improve the hydrocarbon production of the Tal
Block.

3. Location of project: The project is located in District Kohat.
Coordinates Visited by Signature
N: 33 26 58.4 Mr. Essa Khan.
E: 071 34 06.2 Monitoring Inspector.

4. Date of filing of IEE: 26-10-2020
(Ref: EPA/Diary No. 620)

5. After a careful review and field visit carried out by Mr. Essa Khan, Monitoring
Inspector, EPA Southern Directorate D.I.Khan, the Environmental Protection Agency,
Govt. of Khyber Pakhtunkhwa has decided to accord conditional construction
Environmental approval of the Initial Environmental Examination (IEE) report of " Kot
South-1 well and associated flow line activities in Tal Block, District Kohat, Khyber

Pakhtunkhwa," in line with the guidelines issued under Khyber Pakhtunkhwa Environmental Protection Act, 2014 and IEE/EIA Regulations, 2000 subject to the following terms & conditions:-

- a) All the precautionary and mitigation measures identified in IEE Report as well as any unanticipated impacts during the construction and operation phase of the Project must be implemented.
- b) Copy of the Land Documents/Lease Agreement must be provided to this office before starting physical activities at the site.
- c) Non Technical Jobs must be provided to the Land Owners/concerned Village/Union Council and preference shall also be given in technical jobs to the local people of the area;
- d) The Well site/area must be restored in the original form after completion of the project activities or failure of the project and the Report must be submitted to this office;
- e) Health and safety measures/Personal Protection Equipments (PPEs) shall be provided to the workers during working hours.
- f) Plantation must be carried out around the project area and shall take-care of the same.
- g) Compensation to the owners of tree/crop must be provided before starting physical activities on the project site and Report must be submitted to this office along with their complete addresses;
- h) Detail of the CSR activities in the proposed project area must be provided to this office before starting the operational activities;
