- g) The affected area must be restored/rehabilitated in the original form after the completion of drilling activity.
  - h) Oil-based-mud must be sent to MOL Bioremediation facility located in Gurguri, District Karak for final disposal.
6. The proponent shall be liable for correctness and validity of the information provided in the environmental report.
  7. The proponent shall be liable for compliance of Sections 13, 14, 17 and 18 of IEE/EIA Regulations, 2000, regarding approval, confirmation of compliance, entry, inspections and monitoring.
  8. This approval is accorded only for the construction phase of the project. The proponent will obtain approval for operation of the project in accordance with the Section 13 (2) (b) and Section 18 of the IEE/EIA Regulations, 2000.
  9. Any change in the approved project shall be communicated to EPA, Khyber Pakhtunkhwa and shall be commenced after obtaining the approval.
  10. This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with.
  11. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
  12. There is no legal case pending in the courts against the project.
  13. In exercise of the power under Section 12 of the Pakistan Environmental Protection Act, 1997, the undersigned is pleased to approve the IEE Report for Makori East 5 well, District Karak with above mentioned terms and conditions.
