No. EPA/ROS/FlourMill/ 2085

Date. 30/06/2021

- i) The proponent shall ensure a designated place for solid waste and the same shall be disposed-off as per solid waste management system.
- j) Proper mitigation measures shall be adopted to control bad odor/pungent smell.
- k) The proponent shall ensure space for car/truck parking in factory premises.
- l) Sign boards must be installed on the sensitive areas for guidance of the workers as well as visitors.
- m) Security must be provided and fire extinguishers must be installed at appropriate points.
- n) Any other measures as suggested by this Agency must be followed during construction/operation stage.
- o) There shall be no legal case pending in the courts against the project.
- p) Any change in the approved project shall be communicated to EPA, Khyber Pakhtunkhwa and shall be commenced after obtaining the approval.

This approval shall be only for construction phase and the proponent shall obtain environmental approval for operation from this Agency .

- q) If this area falls under the jurisdiction of TMA Charbagh and MOU be signed and submitted to this Agency before operation

Moreover this approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.

This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with and legal action shall be initiated against you as per Khyber Pakhtunkhwa Environmental Protection Act-2014.
