

ENVIRONMENTAL
PROTECTION AGENCY
REGIONAL OFFICE SWAT

FORESTRY, ENVIRONMENT & WILDLIFE
DEPARTMENT GOVT. OF KHYBER
PAKHTUNKHWA

No. EPA/ROS/S.Stone/69 Date: 20/08/2019

To,

Muhammad Junaid,
Owner of Fahad Sand Stone Factory (Proposed)
Pull Chocki, Tehsil Batkhela, District Malakand.

Subject: **MITIGATION MEASURES FOR IMPROVEMENT OF ENVIRONMENT.**

Reference to the above cited subject and in response to an application No. Nill dated: 04/07/2019, an official of this Agency visited your proposed site reserved for the construction of Sand Stone Factory, in light of visit report dated: 17/07/2019, you are directed to adopt following mitigation measures in feature.

1. Construct two sedimentation-settling tanks of size 8 x 6 x 4 cubic feet of each.
2. Make functional the settling tanks of your sand stone factory and install water recycling pump on the last tank, with a pipe of diameter, which is enough to suck wastewater from the last settling tank.
3. Carry out periodic cleaning of the settling tanks.
4. Construct proper boundary wall around your unit with height of (06ft).
5. Designate specified place inside the factory for waste powder/ material disposal/ dumping.
6. In case of any extension in the unit or change of product, inform this Agency before commencement of any activity.
7. Carry out plantation in open spaces/ surrounding of the crush plant (If space is available).
8. In case of any legal case subjudice in any court of law against you, this Office will straightaway cancel this approval.
9. This approval is for the site located at GIS coordinates N 34.64361500, E 072.04034667.

Furthermore, this office will carry out routine monitoring to check the compliance of above mentioned mitigation measures. In case of non compliance, legal action will be initiated against you under the provision of Khyber Pakhtunkhwa Environmental Protection Act, 2014.

Director (Malakand)
