

Environmental Protection Agency

Forestry, Environment & Wildlife Department

Govt. of Khyber Pakhtunkhwa

No. EPA/IEE/CP/Kohat/853-35 Dated 27/1/2017

To

Mr. Tahir Mehmood,
Togh Bala, Lalmi, Indus Highway,
District Kohat.

Subject: **MITIGATION MEASURES FOR ENVIRONMENTAL IMPROVEMENT**

I am directed to refer to the subject cited above and to state that this Agency has no objection for installation/operation of Crush Plant. However, the following mitigation measures should be adopted for compliance and Environmental improvement:

1. Cover raw/crushed materials with tarpaulin sheet to avoid dust pollution.
2. Construct dust control room to avoid dust pollution.
3. Provide personal protective equipments (mask, gloves, shoes etc) to the workers with a direction to use in working hours.
4. Carry out water sprinkling on raw/crushed materials before and after crushing as well as in the surrounding to minimize the dust in the vicinity.
5. Carry out plantation in open spaces/surrounding of the crush plant.
6. Do not carry out any activity at night time.
7. Do not carry out blasting for mining activity. Use jack hammer for raw material instead of blasting.

Furthermore the monitoring team of this agency will carry out routine monitoring to check the compliance of above mentioned mitigation measures. In case of non-compliance, action will be initiated under the Khyber Pakhtunkhwa Environmental Protection Act, 2014.

Assistant Director (EIA-II)

Copy for information:

1. The Assistant Director (Mines & Mineral) Deptt, District Kohat to check the lease as per Mining Rules.
2. The Assistant Director (Industries & Commerce) Deptt, District Kohat to check the above mentioned crush machine as per Rule-3 of Stone Crusher Rules, 1998.
