

SCHEDULE-VIII
Decision on IEE

1. **Name & address of Proponent:** Mr. Ashar Navaid (GM Work),
M/S Fauji Cement/Askari Cement Pvt Ltd,
Mailing Address. Fauji Cement Near village
Jhang, Fateh Jhang District Attock
Contact No. 0923690141-42.
2. **Description of Project:** "The proposed project for which Initial Environmental Examination (IEE) is being conducted is "Installation of proposed 11.25 MW Solar power Plant by M/S Fauji Cement Pvt Limited located adjacent to Fauji Cement Company Limited, village Kahi, Nizampur District Nowshera. The power plant will supply electricity to Fauji Cement Company Limited to make them able to meet their energy demand for regular operations. Capacity of the solar power plant will be 11.25 MW. Total cost of the project 1.2 Billion PKR while the land area required for installation of 11.25 MW solar power plant will be 33.56 Acre. The proposed project will reduce the emission of gases/GHG footprint of cement industry operations. In the Proposed project total 20016 number of Photocells of 550 watt per plate will be installed and generation capacity will be 11.25 MW. The Initial Environmental Examination of the proposed project has identified potential impacts that will likely to arise during the construction and operational phase of the project. To minimize the effects of the adverse impacts of the proposed project, the IEE has recommended mitigation measures. An Environmental Management Plan has also been prepared, which defines the institutional arrangements required for its implementation. It will also provide the implementation mechanism for the recommended mitigation measures identified during the IEE study.
3. **Location of Project:** The project site is located at District Nowshera.
4. **GPS Coordinates;**

Peshawar

5. **Date of Filing of IEE:**

14-11-2022 (Ref: EPA Diary No.223)

6. After careful review, the Environmental Protection Agency, Govt. of Khyber Pakhtunkhwa has decided to accord approval of the Initial Environmental Examination for **“Installation of proposed 11.25 MW Solar power Plant by M/S Fauji Cement Pvt Limited located adjacent to Fauji Cement Company Limited, village Kahi, Nizampur District Nowshera”** according to Khyber Pakhtunkhwa Environmental Protection Act, 2014 and Khyber Pakhtunkhwa Environmental Assessment Rules, 2021 subject to the following terms and conditions:

- a) The proponent shall adopt all precautionary and mitigation measures reflected in the submitted IEE Report as well as replies of the proponent submitted to this Agency and any un-anticipated impacts arising during the construction and operation phase of the project.
- b) The proponent shall ensure the compliance and implementation of National Environmental Quality Standards (NEQs) for ambient air, noise, water and gaseous emission during the construction and operational phase of the project.
- c) The proponent shall provide the copy of this approval and IEE report to the contractor for information and compliance.
- d) Proper disposal mechanism shall be adopted for expired batteries, panels and other electronic wastes.
- e) Proper mechanism shall be designed for collection, recycling and re-use of waste water.
- f) Approval from Power and Energy Department and WAPDA for metering/transmitting activities etc. shall be taken (if required).

- j) No extension would be permitted in the future in the existing project without prior approval of the EPA/Govt. of Khyber Pakhtunkhwa.
- k) The proponent is bound to implement any additional measures for the protection of Environment as and when suggested by EPA.
- l) Environment related messages shall be mounted in and outside of the project area.
- m) Sign boards must be installed on the sensitive area for guidance of the workers as well the visitors.
7. The proponent shall be liable for correctness and validity of the information supplied by the environmental consultant.
8. The proponent shall be liable for compliance of 14, 15, 18, 19 and 20 of Khyber Pakhtunkhwa Environmental Assessment Rules, 2021, regarding approval, confirmation of compliance, entry, inspections and monitoring.
9. This approval is accorded only for the installation/ construction phase of the project. The proponent will obtain approval for operation of the project in accordance with the Rule 15 (1) of Khyber Pakhtunkhwa Environmental Assessment, Rule 2021.
10. Any change in the approved project shall be communicated to EPA, Khyber Pakhtunkhwa and shall be commenced after obtaining the approval.
11. This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with.
12. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
13. There is no legal case pending in the courts against the project.
14. In exercise of the power under Section 13 of the Khyber Pakhtunkhwa Environmental Protection Act, 2014, the undersigned is pleased to approve the IEE Report for **Construction Phase** of the project with above mentioned terms and conditions.
