2.	33.9126	72.837
3.	33.9127	72.8362
4.	33.9137	72.8363

6. After careful review, the Environmental Protection Agency, Government of Khyber Pakhtunkhwa has decided to accord approval on the Environmental Impact Assessment (EIA) Report of “**DOUBLE A FEEDS, located at Phase 5, Industrial Zone, Hattar**” according to the Khyber Pakhtunkhwa Environmental Protection Act, 2014, and the Khyber Pakhtunkhwa Environmental Assessment Rules, 2021 subject to the following terms and conditions: -
- a. The proponent will adopt all precautionary and mitigatory measures identified in EIA report as well as any un-anticipated impacts during the construction and operation phase of project.
  - b. The identified parameters like BOD, COD, H<sub>2</sub>S and NH<sub>3</sub> etc. will be analyzed during operational phase of the project from EPA KP certified laboratory and regular report submission to EPA shall be ensured.
  - c. Poultry waste must be covered till its injection in the cookers.
  - d. Poultry waste must not be left in open atmosphere.
  - e. Lids of the cookers must not be left open and all leakages of the cookers/machinery must be avoided.
  - f. Raw material/poultry waste during transportation must be covered.
  - g. Fumigants must be used inside the hall of the unit where cookers are installed and where the poultry waste is stored.
  - h. The proponent must not discharge untreated waste water into the surface water body. All the effluents shall be properly treated to achieve NEQS compliance before final discharge.
  - i. The proponent will be bound to control its emission and effluents not exceeding the permissible limit of National Environmental Quality Standard (NEQS).
  - j. Solid waste of the unit shall be properly disposed of in environmentally friendly manner in consultation with management of the Industrial estate. The waste shall not be disposed off or burnt openly.
  - k. Health and safety equipment must be provided to the workers of the unit and shall ensure its practice during working hours.
  - l. Environmental Management Plan (EMP) must be strictly followed.
  - m. Plantation of 10-15 feet size plants of Chinar and Deodar should be carried out inside and outside the boundary wall of the unit. Moreover, seasonal plantation campaign shall be launched with intimation to this Agency.
  - n. All vehicles, generators and other equipment shall be properly tuned and maintained in good working condition in order to minimize emission of pollutants.
  - o. Water sprinkling shall be carried out where required to reduce the public nuisance caused by the dust emissions.

 20/11

- p. Non-technical jobs shall be provided to the locals. Preference shall also be given to the locals in technical jobs subject to the availability of eligible candidates. Details of the same shall be shared with EPA KP.
  - q. Analysis reports of emissions, noise, effluents of the unit from EPA, Khyber Pakhtunkhwa certified laboratory shall be submitted to this Agency on quarter basis.
  - r. Health & Safety sign boards/posters shall be installed in various places within the project area.
  - s. The proponent will install water meters on all the water extraction sources for sustainable use of resources.
  - t. As committed, CSR activities shall be launched in the area and detail of the same shall be submitted to this Agency.
  - u. The management shall be bound to adopt any additional mitigation measures suggested by EPA from time to time during construction & operation of the project activities.
  - v. The proponent shall submit quarterly compliance report of the above-mentioned conditions to this Agency.
7. The proponent shall be liable for correctness and validity of the information provided by the environmental consultant.
  8. The proponent shall be liable for compliance of Rule 14, 15, 16, 18, 19 and 20 of the Khyber Pakhtunkhwa Environmental Assessment Rules, 2021 regarding approval, confirmation of compliance, entry, inspections and monitoring.
  9. This approval is accorded only for the construction phase of the project. The proponent shall obtain separate approval for operation phase of the project in accordance with Khyber Pakhtunkhwa Environmental Assessment Rules, 2021.
  10. Any change/extension in the approved project design shall be communicated to EPA, Khyber Pakhtunkhwa and shall be commenced after obtaining the approval.
  11. This approval shall be treated as null and void, if all or any of the conditions mentioned above is/are not complied with:
  12. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
  13. There shall be no legal case pending in the courts against the project.
  14. In exercise of the power under Section-13 of the Khyber Pakhtunkhwa Environmental Protection Act, 2014, the undersigned is pleased to approve the EIA Report of “**Double A Feeds**” located at Plot # 155 and 156 Industrial Zone, Hattar, only for the construction phase with above-mentioned terms and conditions.
