**SCHEDULE-IX**  
**Decision on GEA**

**1 Name, address of proponent:** Mr. Shahid Khan (Owner),  
MSD Plastic Product & Pipe Industry,  
behind Minar masjid, Tehsil Bara  
District Khyber

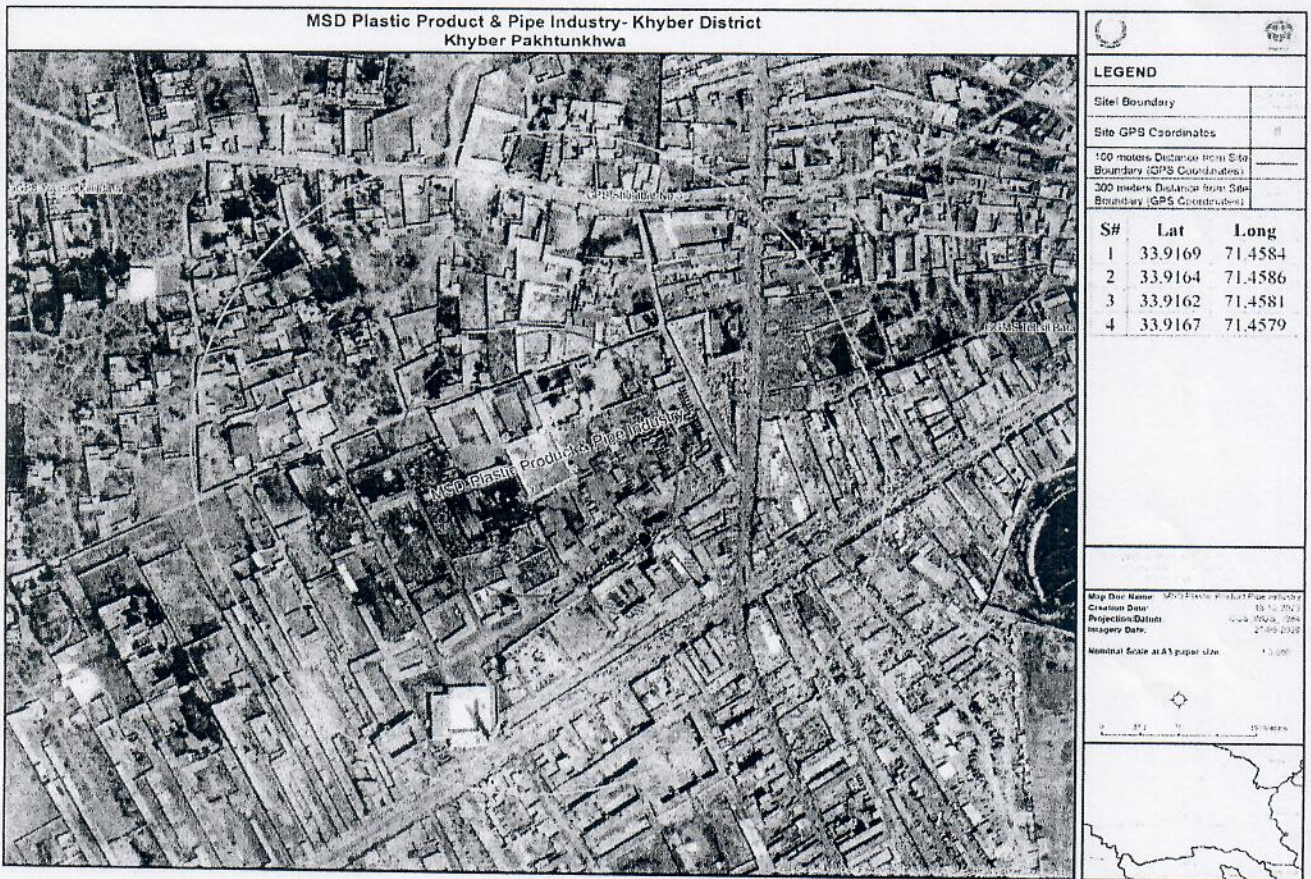

**2. Description of project.** The proposed project will consist of manufacturing of plastic dana from the plastic scrape collected locally and imported from other countries. That the proposed project is a plastic scrape recycling unit. That the plastic dana will either be used in the manufacturing of the plastic pipes in the attached unit or will be sold out to other dealers. The project will have minor environmental impacts and will be properly mitigated with details given in the GEA report. The project site is suitable as a number of other industries are located in the project surrounding. The project has production capacity of 30 Metric ton per shift.

Environmental Protection Agency  
Govt. of Khyber Pakhtunkhwa  
Peshawar

**3. Location of Project.** The Project is located in District Khyber.

**4. GPS Coordinates:** 33.916438 71.458351

**5. Date of filing of GEA.** 05/12/2023  
(Ref. EPA Diary No. 813)

6. In light of visit report dated 07/12/2023 carried out by an officer of this Agency subsequent GIS Mapping and after a careful review of GEA report, this Agency has decided to accord **construction phase** Environmental Approval of the General Environmental Assessment (GEA) Report of “ **MSD Plastic Product & Pipe Industry**” at Tehsil Bara District Khyber, as per the Khyber Pakhtunkhwa Environmental Protection Act, 2014 and Khyber Pakhtunkhwa Environmental Assessment Rules-2021 subject to the following terms & conditions:-

- a) The proponent shall adopt all precautionary and mitigation measures identified in GEA Report, explanation/clarification submitted to this Agency during internal review committee meeting any un-anticipated impacts during the construction and operation phase of the project.
- b) The Proponent shall ensure the compliance and implementation of the National Environmental Quality Standard (NEQS) for ambient air, noise, water and gaseous emission during construction and operation phase of the Project.
- c) The safety and emergency measures shall be carried out in the premises of the project area e.g. emergency exits, fire extinguisher etc.
- d) Personal protective equipment shall be provided to all workers to ensure health and safety with first aid box for emergency medical coverage.
- e) Though a number of industries are located in the surrounding of the proposed project site and no industrial estate exit in District Khyber, However, the proponent will be bound to shift the unit from the proposed site as and when an estate is established in the District Khyber or when the Agency directs.
- f) The proponent will be made bound to recycle 40% of the project requirement from the local market.
- g) The proponent will be made bound to submit GEA report for the already installed pipe manufacturing unit before issuance of import quota approval by the Agency.
- h) The proponent will construct waste water treatment plant for the treatment/re-use of effluents.
- i) Avoid the recycling of medical waste in the unit. The unit shall be kept neat and clean all the time. If medical waste is found in the premises the approval shall stand canceled.
- j) The proponent will avoid manufacturing of plastic or any other items which is not allowed in available legal legislative frame work. Moreover, none of the plastic waste/plastic scrape will be imported which are hazardous in nature or prohibited by the regulatory frame work of the Agency. Moreover, for import quota and codes provisions the proponent will seek separate clearance/approval from the Agency.
- k) That no type of plastic bags shall be manufactured at project site. Similarly the plastic dana shall not be sold to the unit whose manufacture plastic bags. That proper record of the plastic scrape imported/collected shall be maintained at the unit. That at the time of import of each batch the Agency shall be informed to inspect the batch prior any usage /process.
- m) That the scrape shall not be burnt openly nor to be dumped in water bodies/soil etc. and neither be sold to any other unit for burning /usage.
- n) If any land issue aroused, the approval shall be stand null and void.
- o) The proponent will carry out analysis as per frequency/parameters identified in SMART rules.

  
DIRECTOR  
Environmental Protection  
Govt. of Khyber Pakhtunkhwa

- p) Awareness messages/sign boards shall be mounted in and outside of the storage area.
- q) Fire extinguishers shall be installed in different location inside the unit.
- r) Solid waste shall be disposed off safely and properly in compliance of Environmental Laws. The proper area shall be identified for raw material and products storage. The proponent shall provide personal protective equipment's worker of the unit and ensure its wearing during working hours. Environmental management plan must be strictly implemented.
- s) Plantation along the boundary wall and in open space shall be carried out.
- t) The monitoring team of this Agency shall regularly visit the Project site to check the terms and conditions of the approval and compliance of the Khyber Pakhtunkhwa Environmental Protection Act, 2014. The owner shall adopt any mitigation measures/updated technology for control of pollution in future.
- u) Non-technical jobs shall be provided to the local people of the project area.
- v) The proponent shall provide the copy of this approval and GEA Report to the contractor for information and compliance.
7. The proponent shall be liable for correctness and validity of the information provided in the environmental report.
8. The proponent shall be liable for compliance of Regulations 14, 15, 18, 19 and 20 of Khyber Pakhtunkhwa Environmental Assessment Rules-2021, regarding approval, confirmation of compliance, entry, inspections and monitoring.
9. The proponent shall comply with the Rule- 14 (2) of the Khyber Pakhtunkhwa Environmental Assessment Rules-2021 and shall submit undertaking on stamp paper for the compliance of conditions mentioned in Environmental Approval.
10. This approval is accorded only for the construction phase of the project. The proponent will obtain approval for operation of the project in accordance with the Rule 15 (1) of Khyber Pakhtunkhwa Environmental Assessment Rules-2021.
11. This approval shall be treated as null and void if all or any of the conditions mentioned above is/are not complied with.
12. This approval does not absolve the proponent of the duty to obtain any other approval or clearance that may be required under any law in force.
13. There shall be no legal case pending in the courts against the project
14. In exercise of the power under Section 13 of the Khyber Pakhtunkhwa Environmental Protection Act, 2014, the undersigned is pleased to approve the GEA Report of **"MSD Plastic Product & Pipe industry for Construction Phase"** with above mentioned terms and conditions.
